FROM A STAFF MEMBER'S DIARY

September 22: Bedlam as staff tryouts are held. Only 112 applied for membership.

October 4: How I was chosen for the staff I can't tell. Staff organization was held today.

October 18: According to a unanimous vote, the ANNUAL will be a scrapbook. Dedication discussed. Vote postponed.

November 18: Unanimous vote to dedicate book to Mr. Bamburger. Everybody pleased. Dummy is introduced to staff by editor.

December 13: Publicity campaign for subscriptions planned. Aim to have the biggest poster yet seen at Glen-Nor. Start patron drive.

January 11: Subscription drive going strong. Wimpy and the hamburgers are a good idea.

February 15: Write-up assignments were distributed and explained. Another headache!

February 22: Candid cameramen begin to assemble snapshots. New assignments given.

March 8: Last minute preparations for C. S. P. A. convention in New York.

March 31: Approach of deadline makes staff meeting a beehive of work.

April 12: All pile into identifying pictures.

April 19: Last-minute check-ups on dummy. All missing links spotted (I hope).

April 26: ANNUAL goes to print. It's too late for that bright idea!

May 3: Adviser hands out applications for 1939 staff membership. Try-outs are announced. And so we start all over again!

EXECUTIVES

TO PROVIDE for the school's wants and needs has always been the immediate work of the Board of Education. This year that work has been made visible to the public, as projects on the school campus have been completed. Every student is aware of the beautiful approach to the school, and of the improvements to the athletic field. For these material additions to their school life, as well as for those contributions which aren't so easily discerned, the student body expresses its heartiest appreciation.

J. MILTON ROSSING

Supervising Principal

IN HIS nine years of service at Glen-Nor, Mr. Rossing has given the community the best educational facilities possible. Through his executive skill he has solved the many perplexing problems that confront a progressive educator. Both the student body and the faculty have a sincere friend in their principal.

FROM THE STUDENTS COUNCIL MINUTES

September 16: The opening meeting was conducted by Frank Dougherty. Traffic rules were explained by Evan Morrow, and the monitorial system was set up. Mr. Bracken announced that the Council would sponsor the intramural sports program.

October 1: Election of officers was held with the following results: President, Frank Dougherty; Vice-President, Evan Morrow; Secretary, Agnes Callahan; Treasurer, Mary Jane Knox. Pep rally and dance before the Yeadon football game were planned.

October 22: Action was taken on a recommendation that a larger gate be placed in the athletic field fence to relieve overcrowded conditions in the foyer after football games.

November 5: Band members will be granted letters for two years of service.

December 3: Detailed plans for the annual Varsity-Alumni classic were made.

December 10: A committee was appointed to check on the constitution and to suggest revisions.

January 13: A model meeting was held before the P. T. A. The speakers included the officers, Margaret Riddaugh and Bernice Straub.

January 28: The Point System was revised.

February 4: The Council voted to aid the Varsity Club in its drive for better sportsmanship.

February 18: Members of the student body presented cafeteria problems to the Council.

March 11: The Council voted to act as host to the April meeting of the Intersuburban Council next year.

A DAY IN SCHOOL

When Johnny Smith shouts "Good-bye" to his mother at 7:30 A. M., bangs the door, and runs across town to school, he is probably a victim of habit, for he has been doing this all his life. If some day Johnny should stop a minute to think about his actions, he would be amazed! The chances are that he has never realized what Glen-Nor High School offers him.

VARIETY

Seventy-four different subjects are taught at Glen-Nor High School, so Johnny need not be bored for a second. As the subjects taught vary with the course, Johnny is called upon to make his choice of course when he enters the second semester of the eighth grade. Each year he has to sign up for the course he wishes to pursue the following year, but he has the privilege of changing his course if he changes his mind before the tenth grade. If he is planning to go to college, he will sign up for the college preparatory course. The lucky boy will not even have to take an entrance exam, if he has managed to maintain a G average in his subjects. If he is interested in a more technical preparation, he will take the Technical Course, which will admit him to engineering and technical schools as well as to all higher institutions of learning. The Commercial Course will allow him to specialize in secretarial training or accounting, but it will not admit him to college. A broad selection of subjects is offered by the General Course which emphasizes training in practical arts, so will not prepare for college.

EXPERTS

Thirty-six faculty members, experts in the field of child education, are ready to teach Johnny the subjects which he has chosen. All of these instructors hold Bachelor's degrees from institutions of accredited standing. Sixteen of them, about 45 per cent of the entire faculty, hold advanced degrees: six have the M.A., one, an M.Ed.; eight, the M.S.; and one, a D.Ed. Eleven of Johnny's teachers have taught at Glen-Nor five years or more, so they are thoroughly acquainted with the community and Johnny's background. Over three centuries of teaching experience are at Johnny's disposal, for the total faculty experience aggregates 315 years! All the teachers have a background of experience that to date varies from one to seventeen years, making an average of about nine years per faculty member.

HEALTH

To keep Johnny physically fit, a health program has been organized. Including hygiene and gymnastic training, it also offers experience in many different sports. If Johnny doesn't make a team, he is privileged to participate in intra-murals. An opportunity will be given him to represent his homeroom in an extensive sports tournament with the other rooms of his grade. He will get to learn the rules of the game, and will have the fun of fighting to the finish.

If Johnny has special talents, he will have plenty of opportunity to develop them. His musical ability will find an outlet in the band, orchestra, or Glee Club. Even

SPECIALTIES

if he can't play an instrument, he will be encouraged to take lessons from a skilled instructor on Saturday mornings. If he chooses to draw, he can sign up for the art courses. The shop may attract him, and in club period he may even invade the kitchen!

An extra-curricular program will develop hobbies for Johnny's leisure time.

HOBBIES

He will have a struggle to choose his club, for he will have to decide between interests ranging from amateur photography to chess. Besides his regular school work many fine special opportunities are offered in the school day. Johnny has access to a school library of 4,100 volumes. Fifty-three magazines are waiting on the shelves for him to enjoy. About 15,000 books are circulated in a year, which makes an average of 1,500 per

LIBRARY

month and 85 per day. The popularity of the library is realized when one considers that an average of 300 pupils visit the library daily. In his English class at least once a year, and more often if possible, Johnny receives instruction on how to use the library materials.

Johnny has the choice of bringing his lunch to school, or of buying it in the

LUNCH

cafeteria. The menu always features hot soups, vegetable and meat platters, sandwiches, desserts, fruit drinks, and salads. Sometimes he may prefer to bring part, and to buy part.

If Johnny has any hard problems to solve, he will always find some friendly advice waiting for him in the guidance office. Educational, vocational, and social counsel are

COUNSEL

offered generously, so all his questions will be answered. The guidance counselor also visits homes and confers with parents over mutual problems, holding an average of 2,000 conferences per year. Besides this, the counselor administers a homeroom program which is designed to build citizenship and character. As a homeroom member Johnny has the opportunity to work on committees, to serve as a committee chairman, to learn how to conduct a meeting, and to develop initiative.

HABITS

Worthwhile habits are encouraged in Johnny's daily program. The virtue of promptness is emphasized by attendance regulations which are simple and emphatic. Thrift is popularized by a school campaign which aims to make every Glen-Nor student a regular depositor in one of the local banks. Homeroom rivalry is keen, and Johnny will work hard to do his bit, and incidentally he will build up a good life habit.

When Johnny Smith packs up his books to leave school, he is probably still unaware of all that has gone into his school day. Going to school is just another habit!

Candid Snap: Studying P. O. D. textbook.

BETTY MAE COLLINS
COMMERCIAL

Scraps: First aid to those who need secretaries. Saves energy by maintaining strict silence. With busy needles clicks her way to stylish knitted costumes. Serves a turn now and then in the library by checking books.

Candid Snap: Putting the finishing touches to her new print dress.

Lots of luck to a sweet pal
Jean

DOLORES GERTRUDE COTTER
GENERAL

Scraps: Although a newcomer, has learned to champion, further, and defend the interests of Room 18A. Main outside interest expressed at skating rink. Makes needlework a form of pleasure as well as a practical art.

Candid Snap: Writing notes in class.

GRACE EDITH COX
GENERAL

Scraps: Wins fame through tap dancing. Efficient secretary of Room 16. Spends leisure time playing badminton and cruising around town in a car. Lends noble support to business staff of the *Crier* by getting advertisements.

Candid Snap: Playing Juliet at the top of the stairs by Room 16.

ANNA ETHEL CRUMBACK
COMMERCIAL

Scraps: Records all the feats of the Archery Club. Although a tiny cheerleader, manages to get a big cheer from crowds. Never known to miss a basketball game. Takes a whirl in the social world as she loves parties and dances.

Candid Snap: Eating an Italian sandwich.

JAMES EVANS CRUZE
ACADEMIC

Scraps: Contributes amusing stories to the *Crier*. Spends spare time trying to lower his golf score. Quiet as a mouse until the team needs support. Can give anyone a lesson in cheering or dancing. Gets fun out of chuckling at life's jokes.

Candid Snap: Struggling over difficult problems.

ELLEN LOUISE DANIELS
GENERAL

Lots of luck to a swell pal.
"Louie"

Scraps: Makes violin sing in orchestra. A staunch member of Glee Club, helped to engineer the operetta. Has won recognition as dependable committee chairman. Believes in doing good turns. Leisure hours robbed by Girl Reserves and skating.

Candid Snap: Watering plants in homeroom.

DAVID WILMOT DAVIS
COMMERCIAL

The best of luck to a swell guy and my pal.
"Mint"

Scraps: A committee member who doesn't need to be checked up on. Usually quiet, spices up in law class. Guards money for Current Events Club. Guards secrets of his friends equally well. Helps to manage the baseball team.

Candid Snap: Dispensing jokes and ice cream at family drug store.

MARY ELIZABETH DAVIS

GENERAL

Scraps: Responsible for the loudest noises around school, as she clashes the cymbals in the band. Activities closely identified with music. Expert campaign manager. Always has a pocketful of good advice for everyone.

Candid Snap: Giving out tickets for band concert.

DONALD JOHN DENNEY

TECHNICAL

Scraps: Sports fan and sports scribe on *Crier* staff. Although small of stature, possesses alarming amount of vitality. Scholastic achievement ranks him among best in class. His powerful will is not easily swayed.

Candid Snap: Arguing with Mallgrave.

HELEN WEAVER DEUR

ACADEMIC

Scraps: Good sport on and off hockey field. As exchange editor of *Crier*, looks over magazines. For three years of service on publications elected to "Quilll and Scroll." Helps frenzied photographer take pictures of bashful seniors.

Candid Snap: Practically buried under a mound of papers. working at *Crier*.

BENJAMIN A. DiCAMPLI

GENERAL

Candid Snap: Checking in basketball suits.

LINCOLN P. DIEFFENBACH

GENERAL

Scraps: Interested in all forms of nature and animal life, especially in dogs. Thinks for himself; hence argues continually. Progressive opinions formed by reading. When not engaged in Archery Club, haunts library. Rabid sports fan.

Candid Snap: Hiding behind a newspaper, talking.

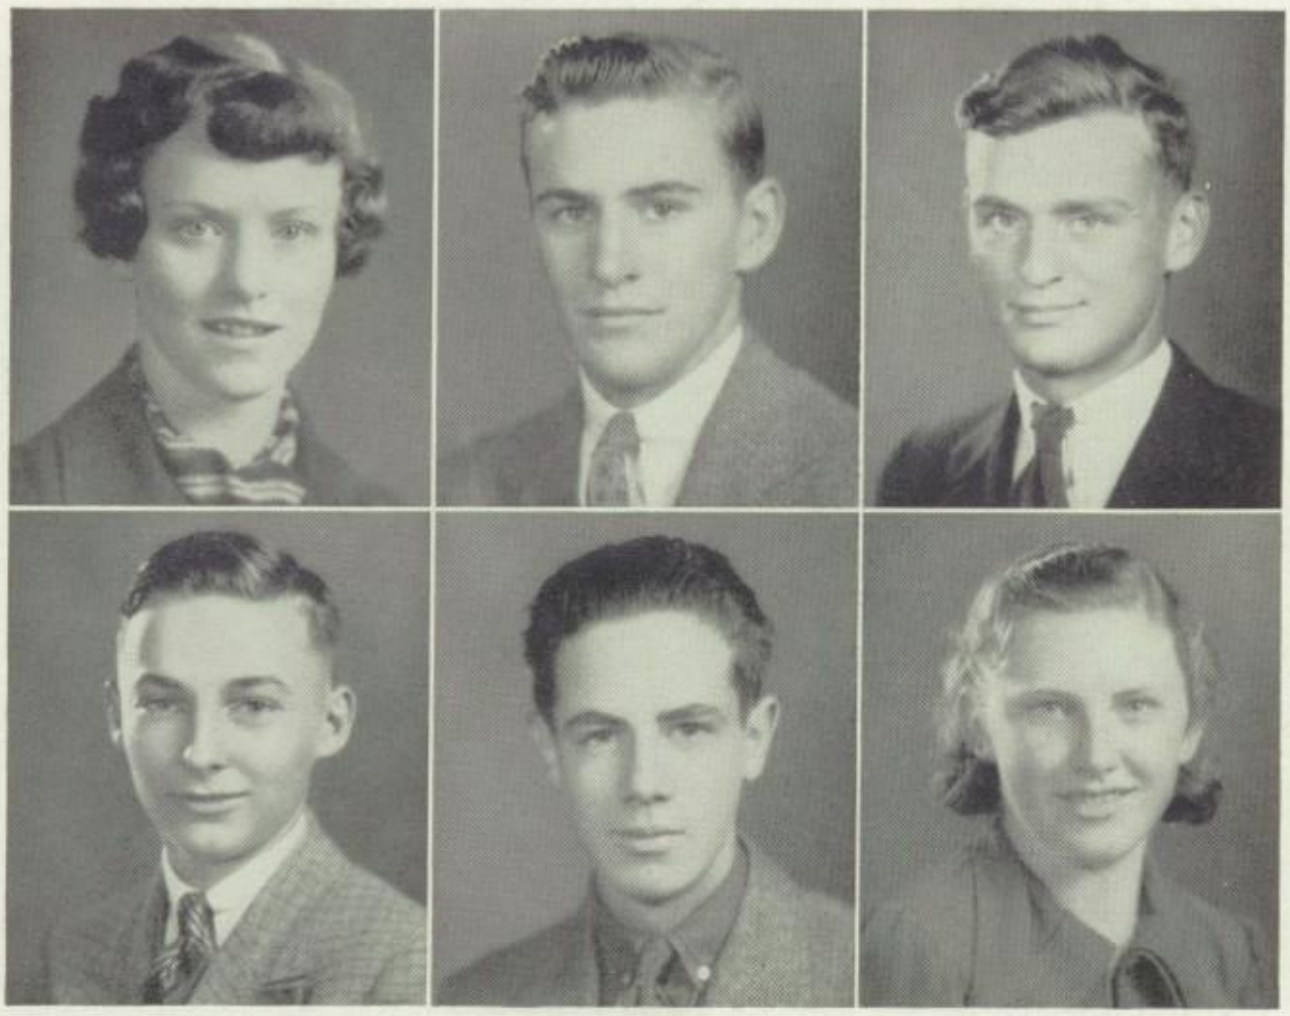
ROBERT ELLIOTT DOHERTY

COMMERCIAL

Scraps: Gets most fun from football and baseball, but is an ardent follower of the basketball team. Completely unruffled by the ladies; believes that it's a man's world. Known by friendly grin.

Candid Snap: Mumbling under breath, as he tackles a knotty problem.

GLEN



ELIZABETH N. DOUGHERTY

TECHNICAL

Scraps: Stationed regularly at monitor's post by Room 18A, where she gracefully smoothes out traffic jams. An asset to National Honor Society. Possesses none of the traditional temper connected with Titian tresses.

Candid Snap: A little girl driving a big car.

FRANCIS A. DOUGHERTY

TECHNICAL

Scraps: Extends official greetings to guest speakers. Burdened with many duties as chief executive of Student Council. Sets the styles of what a well-dressed Glen-Norite should wear. Off duty reads and hikes.

Candid Snap: Wandering hither and yon in his Oldsmobile.

STUART ROBERT DRENNING

GENERAL

Scraps: Didn't take long for this newcomer to find the football field and baseball diamond. Club period claimed by wrestling. Gained interest in hiking and horseback riding at C. M. T. C. A mistake to be misled by his silence.

Candid Snap: Making homeroom report on school improvements.

WALTER EDWARD EASON, Jr.

ACADEMIC

Scraps: Has perfected an amateur tennis game that is formidable to most of his local opponents. A first class chess player. Runs circles around classmates in geometry. A National Honor Society recruit, who never parades his wisdom.

Candid Snap: Waving his hand to be first to answer the question.

ROBERT EBERLE

ACADEMIC

Scraps: One of the track team's old reliables. Takes to chemistry and physics like a duck to water. Is a vigorous Student Council monitor who guides erring feet on the right path. Goes scouting as Junior Assistant Scoutmaster.

Candid Snap: Leaving class early to take up the traffic problem.

ELLEN WHEELER ENDERLE

ACADEMIC

Scraps: Thinks before she acts in chess game as well as on hockey field. Captains basketball team. Surprise of the season, a talent for singing. Studies hard—reward, a shining gold National Honor Society pin.

Candid Snap: Giggling a whole lunch period over one joke.

MARY LOUISE FABER

ACADEMIC

Scraps: Struggles successfully in defense of hockey goal cage. Rolls up basketball score by simply tossing them in. Captains cheerleaders, and shows enthusiasm by jumping highest and cheering loudest of all.

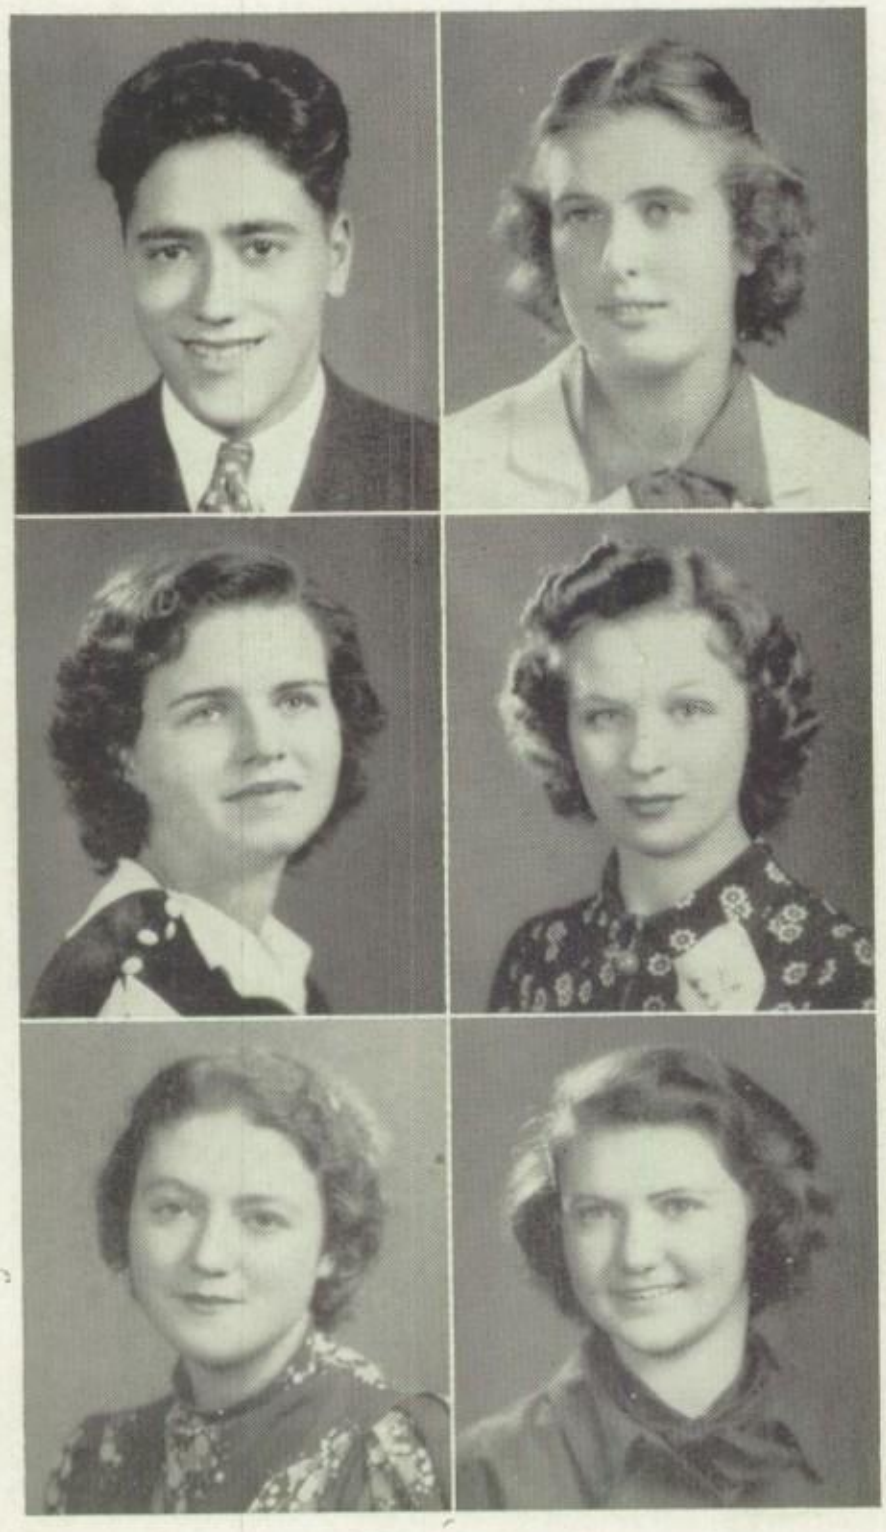
Candid Snap: Munching peanut butter and marshmallow sandwiches.

ELIZABETH IRENE FISHER

COMMERCIAL

Scraps: A speedy *Crier* typist, who is not daunted by piles of manuscript. Excellent drum major. Can twirl a baton with the best of band leaders. Is learning to hit the target in Archery Club. Another importation to become a Glen-Nor convert.

Candid Snap: Talking a mile-a-minute with her cohorts at lunch.



WILLIAM H. FISHER

GENERAL

Scraps: Can often be found in the shop working over intricate mechanical drawings. Plays the piano with the skill of a professional. Dances equally well. A regular fan at football and basketball games.

Candid Snap: Jazzing it up on the ivories.

MARY ELIZABETH FLACK

ACADEMIC

Scraps: Interest in cooking explained by interest in eating. Likes to mix foods together and concoct new recipes. Clever fingers put to good use in sewing and drawing. Gets daily work-out, playing basketball and roller skating.

Candid Snap: Eating a club sandwich and all the trimmings.

ELEANOR MARION FLAGG

GENERAL

Scraps: Brightens all classes with witty remarks. Laughs just as loud when the joke is on her, as it frequently is. Spends winter evenings selling candy at basketball games, and attending sport dances; spends summer swimming.

Candid Snap: Learning to drive a car.

RUTH IRENE FOREMAN

GENERAL

Scraps: Replenishes class treasury by sale of candy at basketball games and dances. Dramatic ability used by Stage Crew. Orchids to the comedienne of the operetta. Spends hours in art room making original designs.

Candid Snap: Sewing industriously on her new outfit in Room 1.

EVELYN LOUISE FRANKLIN

GENERAL

Scraps: Always arrives on time. Dashes about cheerfully greeting everyone. Music sets her feet a-dancing, and skating keeps her in trim. Gets full benefit of A. A. tickets by attending all basketball games and sport dances.

Candid Snap: Standing in hall waiting for school to start.

MARGARET ELIZABETH FREAS

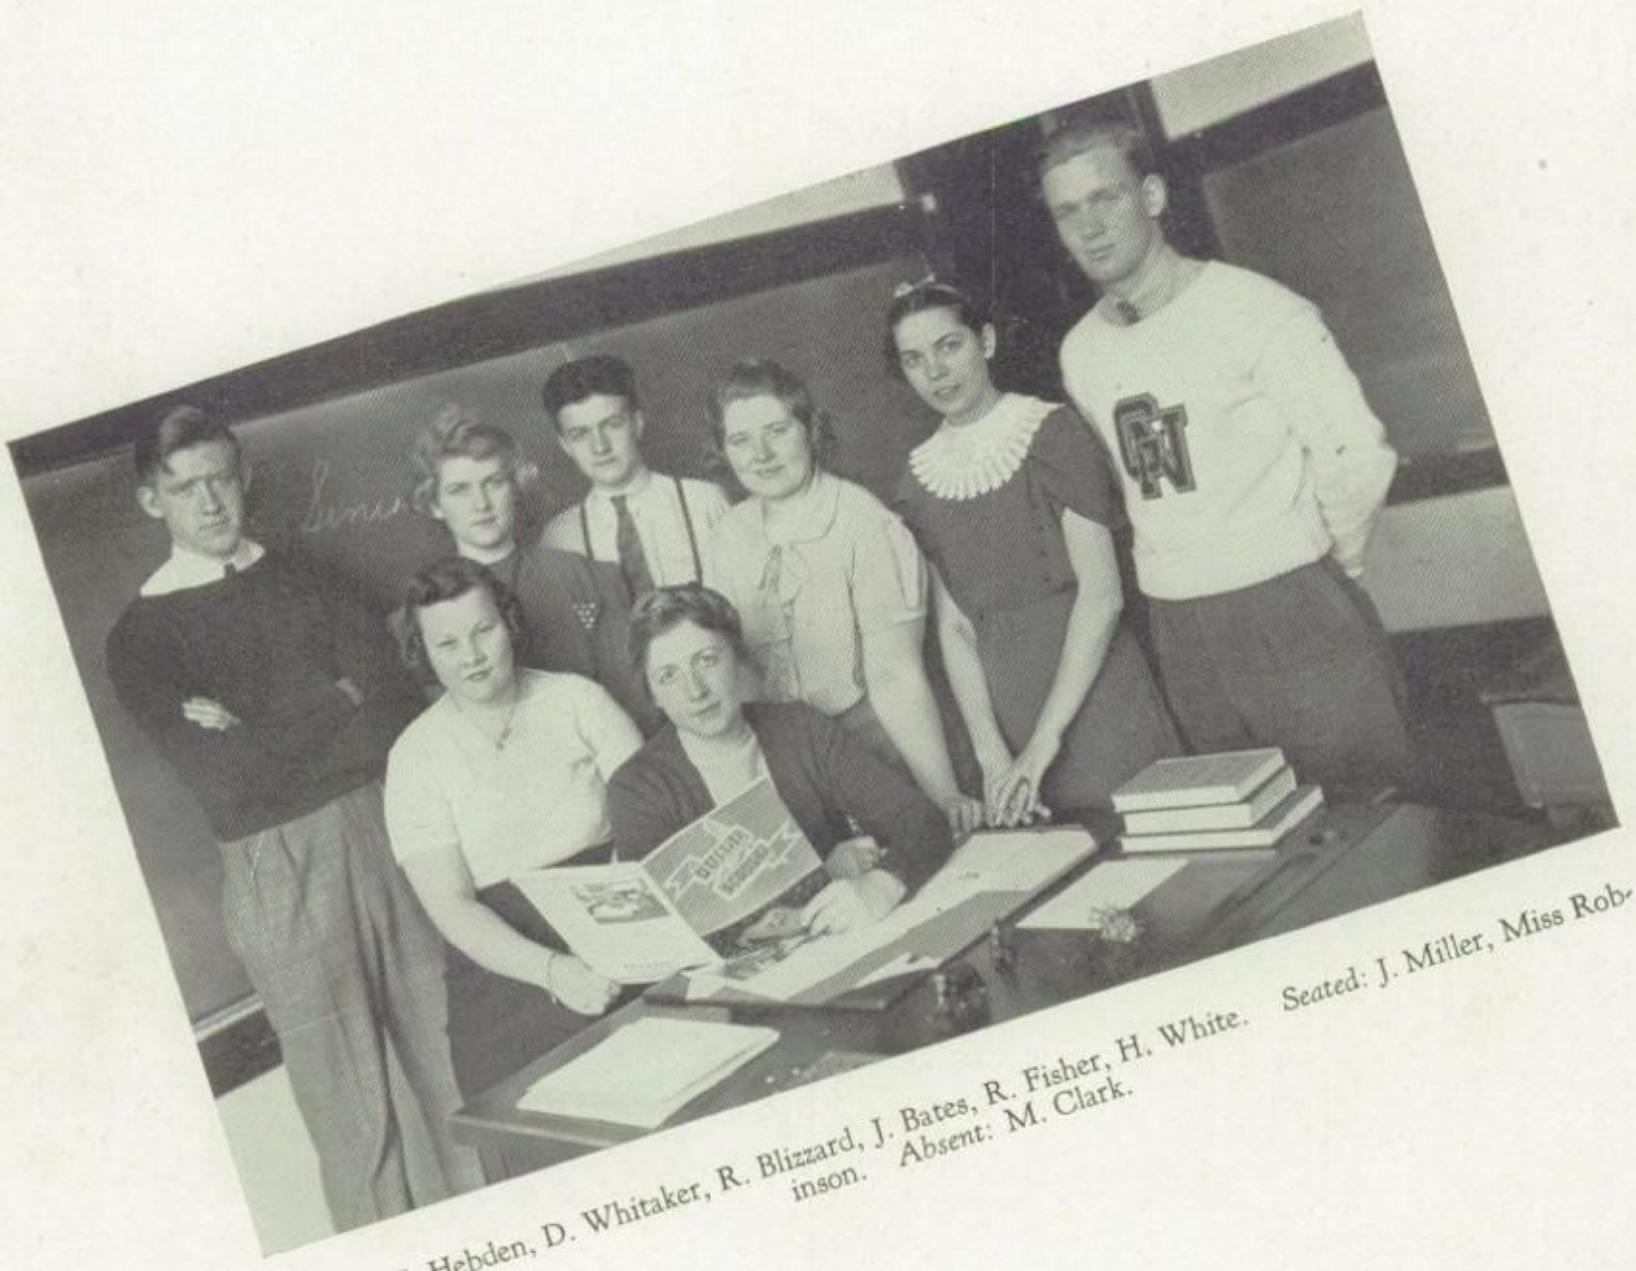
SCHOLARSHIP, service, leadership, and character are exemplified in the students elected to the National Honor Society. Each year the faculty elects 15 per cent of the Senior Class, and 5 per cent of the Junior Class who have best shown in their undergraduate years, their scholastic ability, their service to Glen-Nor, their leadership in its activities, and, above all, the good character of a true Glen-Norite.

OUTSTANDING

PEN NAMES

EACH year Glen-Nor's outstanding journalists and business managers of the publications are awarded membership in the *Quill and Scroll Society*, international honorary society for high school journalists.

To achieve this distinction the candidate must be in the upper third of his class; he must have done excellent work in journalism or in business management; he must have served at least two years on a staff; he must be recommended by the supervisor; and he must be accepted by the National Secretary, who passes on all evidence submitted.



Standing: S. Hebden, D. Whitaker, R. Blizzard, J. Bates, R. Fisher, H. White. *Seated*: J. Miller, Miss Robinson. *Absent*: M. Clark.

THE POWER OF THE PEN

THE hand that moves the pen rocks the Glen-Nor world. Reporters dash madly about in brain storms, gathering news for their exacting editors. Writers scratch around for clever titles and opening paragraphs. As fingers speed over typewriter keys, typists scurry the material into shape for the printer. Down in Room 7 the art staff is moaning, "Why will they never give us enough time?" The business staff goes into a huddle and curtails reckless spending. Why all the rush? The publications are going to press!

Every year history repeats itself. Staffs may come and staffs may go, but the *Glen-Nor Crier* marches straight ahead. The thirteenth anniversary of the magazine found it all dressed up in new make-up, and in neat glossy paper. A bright new cover, peppy stories, and good features all combined to skyrocket the number of subscriptions high above any previous records. Hardly a copy was left to send to other schools which know the *Crier* and look forward to the exchange issues.

A variety of new material was published in the four issues which centered about absolutely new themes. In November the Glen-Nor students had to "Face the Facts." Believing that figures are the most convincing form of proof, the staff searched high and low for statistics of interest. Doodling students, statistics of football games, and facts about Horn and Hardart's vast restaurant business featured this issue. The December issue celebrated the march of time with a "Then and Now" issue. Just before Easter the "Fashion Parade" issue made its debut, and the year's work concluded with a "Something Different" theme.

The *Crier* upheld its reputation for winning prizes, by taking a first place award in the contest sponsored by the Pennsylvania Scholastic Press Association; a second place in the Columbia Scholastic Press Association; and a first place in the National Scholastic Press Association.

The three-year-old *Junior Messenger* grew up to new heights this year. Twenty-seven budding journalists have scampered around to secure the material for its pages.

Three issues found a warm reception from the junior high school. The first issue was a composite of school interest and news. "Who's Who" featured the second; and the ninth grade was the center of attraction in the last graduation issue.

Six lively departments provided sprightly reading material: literary, humor, activities, poetry, sports, and exchange. The greatest accomplishment of the year has been the popularization of the magazine with the general reading public. The splendid humor pages, the wealth of illustrations, and the general interest of the articles are responsible for this.

The staff has worked hard and critically to bring up its magazine to its present quality.

MUSIC IN THE AIR

FIDDLERS, trumpeters, songsters, and all who can or who aspire to play any instrument are enthusiastically received by the musical organizations of Glen-Nor. There is a place for any one who wants to develop a latent musical talent, no matter at what level of accomplishment he may be.

The Senior Orchestra is mainly composed of the old-timers who have taken advantage of the musical opportunities. Its weekly appearance at assemblies has been a regular feature which the appreciative public takes for granted. At class plays and concerts, the orchestra has obligingly provided entertainment by filling the gaps between changes of scene. Gracious in granting favors, upon request the orchestra will perform for any organization.

SENIOR ORCHESTRA

First Row: R. Hyde, J. Fisher, A. Taylor, S. Hebden. *Second Row:* C. Schnell, E. Burke, M. Goldsborough, D. Vosburg, H. Sheppard, A. Mitchell, V. Smith, L. Curley, J. Davis, R. Winston. R. Barry.

The Glen-Nor warblers have met together each week in order to keep their voices in trim, and to increase the range of their repertoire. They have sailed up and down the scales faithfully, have done their vocal gymnastics, and have learned to follow the leader.

The highlight of the year was the broadcast from Uncle Wip's studio, April 24th. Those who tuned in heard a well-trained group give a fine concert of glee club favorites.

The beginnings of musical talent are spotted in the junior high school. The eighth and ninth grades furnish most of the members of the junior orchestra, which meets for rehearsal during a regularly scheduled period. Every Wednesday the assembly period is ushered in by this group; the program is also concluded by a rousing march played by the ambitious musicians. Public performances have been made at P. T. A. and on Music Night.

JUNIOR ORCHESTRA

First Row: C. Rice, M. Bender, S. Grimshaw, H. Ferguson, W. Barlow, G. Starkweather. *Second Row:* L. Torok, P. Vosburg, D. Krupla, N. Kennedy, F. Pagenkemper, G. Lake, J. Meaney, W. Anderson, L. Turner, J. Grimshaw, C. Brown.

Acting as a feeder to the Senior Orchestra, these beginners are laying a foundation for Glen-Nor's future musical success.

The thrill of dressing up in a striking uniform and of parading across the field is reserved for the Glen-Nor Band, one of the finest band units in suburbal Philadelphia. Adding color and life to athletic contests, the Band has led the way to triumph more than once.

Besides furnishing morale and enthusiasm for the whole school, the band has interested many in learning to play instruments. The Saturday morning music classes are full of aspirants who are urged to come to school on an off-day simply because they want to join the band.

Under Mr. Grim's direction the Glen-Nor Band has mastered two programs offered in two public recitals. The radio broadcast was successful in announcing to the radio public that GlenNor's band has graduated from the experimental stage, and that it is a skilled group.

The great interest in music is a tribute to the enthusiasm and leadership of Mr. Grim, director.

THE ringing of the bell fourth period Monday is a signal for all amateurs to hie themselves to club period. Doffing their best classroom manners, pupils are urged to relax, but not to loaf and invite their souls. Oh no! Everybody rolls up his sleeves, and works hard at the thing he enjoys most.

Silence reigns supreme whenever the Chess Club meets, for great concentration is part of the game. The club has a large membership, showing Glen-Nor's interest in mental gymnastics Though the entire chess team does not belong to the club, some have joined to improve their game. With the addition of several girls, the club has ceased being purely masculine, but even this feminine influence has not broken the deep quiet in Dr. Godson's room.

•

Curtain! Hollywood comes to Glen-Nor as the Stage Crew goes to work! Technicians, stage managers, directors, and actors are developed as practical experience is gained through public performance. The weekly assembly is the training ground of this group which does everything from filling in program gaps, to meeting great speakers. Exchange programs with other schools have been arranged, which were successful in producing mutual pleasure.

INTERMISSION

THOSE who have a flare for doing practical bookkeeping sign up for service in the Activities Bank. A miniature edition of the real thing, this bank cares for all school accounts, sending statements to depositors, and making the proper reconciliations. All the detailed work is done by pupil bankers, but the sponsor writes the checks. On the other hand the Thrift Bank encourages all pupils to save their money through starting accounts in the local banks. The clever bulletin notices have made it difficult to forget banking, and many new depositors have learned the valuable lesson of thrift.

BANKS

First Row: D. Riegner, E. Reid, A. Callahan. *Second Row:* R. Hyde, D. Anderson, H. Price, M. Knox, L. Carney, P. Freas, W. Kucker, E. Pennypacker, Mr. Macadam, M. Barr, Miss Armagost.

There are no speed limits for the members of the Typing Club. The person who passes everyone else is not arrested, but complimented. The club members have gained valuable typing knowledge and practice, and have also sponsored typing contests. The club not only helps amateur fingers to find their way about the keyboard, but it enables those who do not have the subject in class to become capable and full-fledged typists. Of practical assistance to the entire school, it types, dittoes, and mimeographs for worthy causes.

TYPING CLUB

First Row: B. Bonsall, D. Montgomery, J. Flack, P. Kennedy, R. Masteller. *Second Row:* R. Coghlan, C. Banks, J. Williams, H. Bettcher, F. Zinck, J. Butler, E. Daniels, E. Bonsall. *Third Row:* G. VARSITY CLUB

First Row: E. Bagley, F. Zinck, G. Woerner, N. Jacobs, R. Morrison, J. Williams, J. Sulger. *Second Row:* H. Reiseg, Mr. Hoffman, S. Hebden, H. Smullen, C. Ritchie.

AT YOUR SERVICE

FIVE thousand floaters on "Sportsmanship" carried the Varsity Club's message to athletic spectators during the 1937 football season. The lettermen of Glen-Nor are not only good sports themselves, but they want everyone else to play the game straight, too. Believing that misunderstandings are often the basis of criticism, the Varsity Club enlightened the student body by a series of short presentations at assembly. Various members introduced new rulings and explained their purpose. Signals of officials were demonstrated and explained. This part of the club's program was a decided success, for sportsmanship was certainly popularized.

A committee was appointed to meet visiting teams and to show them around school. The courtesies extended in this manner helped to build up a sporting reputation.

"To promote Christian living and character throughout the school" has been the aim of the Hi-Y, the high school edition of the Y. M. C. A.

The most important service project of the year was the supervision of gathering baskets for the poor at Christmas time. Each homeroom was invited to make contributions, and the Hi-Y boys took charge of the distribution.

Once a month the gym has been used for a meeting which was converted into a volleyball or a basketball contest. Interest in sports was also evidenced by the club's cooperation with Glen-Nor's sports program. The varsity boys were the guests of the Hi-Y, which entertained them with films of the Penn-Navy game.

Discussions of problems met by the average high school boy, featured some of the meetings. Mr. Grim's baton also pepped up the singers of the group several times.

The Hi-Y's sister club, the Girl Reserves, is a junior member of the Y. W. C. A. Reaching toward the best, the girls have much to show for their year's work. Their program of service has included drives for canned goods, dressing dolls for sick children in hospitals, making scrapbooks, and in decorating the corridors at Christmas time.

Creating friendship through social activities, the girls enjoyed a scavenger hunt, and a hay ride. The Fashion Show provided an evening's fun for everybody. Two novel dances also added to the social whirl—who can forget that "Pep" Dance, or the "Turn-about" Dance. Honoring

their mothers, the girls planned a Mother-Daughter Banquet in May. A faculty tea brought teachers and girls together for a social hour, which was greatly enjoyed by both groups.

The weekly meetings were spent in planning these activities, in actually doing practical work, and in discussing problems brought up by the girls.

WHIZZ—what's that going through the air? An arrow, to be sure. The Archery Club has revived an old Indian custom, and has turned it into a thrilling sport.

These Archers not only know how to hit the target, but how to make their own bows and arrows, too. During the winter months some of these sportsmen have been busy filing, scraping, and sandpapering their bows, while others have been whittling points and pasting feathers on their arrows. Good weather finds them outside trying their skill at hitting the bull's eye.

•

Several new feathers were added to Glen-Nor's already dashing cap when the Young Braves' Club came into existence. Instead of donning war paint at their weekly pow-wows, these braves spend their time widening their knowledge of Indian life, especially as it used to be in this vicinity.

Under the direction of their two chiefs, Bill Hess and Brayton Field, the warriors have succeeded in making many specimens of Indian handicraft. They've also been studying picture writing, and have made an Indian village.

They prefer the pipe of peace to the warpath, and are confident that this tribe will become a permanent Glen-Nor institution.

JUST ANOTHER HOBBY

BUBBLE, bubble, broil and double to look into the oven! Delicacies for the table at breakfast, handsome club sandwiches for the welcome noon hour, menus fit for banquets at eight are prepared by these careful chefs.

To foster an interest and give experience in the art of cooking, as well as to create skill in correct serving, the Glen-Nor lad has applied himself to home economics in the kitchen. To date, these cooks boast of having prepared tasty bacon and eggs, cocoa, creamed steak on buttery toast, browned muffins, crunchy biscuits, delicious shortcake, crisp French fries, and soft, powdery doughnuts.

Chef in charge is Jack Warner, assisted by Robert Branagen and William Munson. Everything's ready, let's dine!

The girls in the Junior High School who were eager to learn the old and new dance steps walked in the direction of the gymnasium. Here their desire was satisfied for they were given a chance to learn them in the Steppers Club.

At the beginning of the year these girls were introduced to some old-time folk dances. Later they learned the fox trot. Then they went into social dancing, which they kept up for the most part of the remaining year.

Now, at the end of the year, the girls are capable of challenging anybody to do either the old or new dance steps with them.

PASTIMES FOR ALL

THE old charm of Punch and Judy has recently returned to popularity in modern dress. Glen-Nor, too, has its puppet addicts, who have organized the Pup-ette Club. Those who know the ropes and pull the strings are learning to produce scenes and small plays with marionettes. Deciding to learn their trade thoroughly, the puppeteers have started from the very beginning and have even made their own jointed figures. Among those who have come to life are Popeye, Olive Oil, Wimpy, the Three Bears, Cinderella, the Prince, and the Stepmother.

Writing original skits to fit the characters has been fun. Such childhood favorites as *Cinderella* and *The Three Bears* are now rivals of Walt Disney's *Three Little Pigs*.

Once a week these figures cease to be blocks of wood, and learn to behave like sensible human actors.

The why's and wherefore's of books have been learned by the feminine book fans who form the Library Club. The girls have become acquainted with all the late books, and have even made their bow to the classics. By playing games involving titles and authors, they have painlessly extended their familiarity with bookdom.

Understudying for Miss Pyles, they have learned the routine of the desk, so that they can check in books like professionals. By shelving the books, they have also relieved her of much drudgery. Exploring the catalogue, they have learned enough to help others find the answers.

The clever bulletin board displays have been the expression of these budding librarians' ingenuity also. The holidays and seasons have been celebrated in picture and quotation, and have livened up the popular sojourns in the library.

The Book-House exhibit for Book Week was constructed by these ambitious contractors. Fired by enthusiasms from this success they also prepared the Tom Sawyer exhibit for School Night.

The young actors and actresses who have wished to develop their talents have found inspiration in the Footlighters' Club. That the seeds of future dramatic success are often planted in this group is shown by a follow-up of members after they reach senior high school. Many of those who strut their hour upon the stage in their senior and junior years have received their impetus in this amateur organization.

These players have had an opportunity to develop, for they have studied how to produce monologue selections in prose and verse, musical readings, and one-act plays. Another phase of their work has been the study of the art of make-up, of stage terminology, stage settings, and impersonations.

During the year they produced "The White Phantom," "Betty's Wedding Day," and "Aunt Adeline's Heir."

ON THE SIDELINES

OF THE two groups which back the athletic program, only one is familiar to the public. Frantically waving their arms the Cheerleaders noisily inspire spectators and teams. Behind the scenes the A. A. Council plans ticket campaigns; awards emblems, letters, and charms; secures officials, arranges for transportation; supervises intramurals; organizes Field Day, and finances the awards.

Both groups express the voice of the school—the first, by cheering; the second, by giving the pupils a part in shaping the athletic program.

INDIANS COME THROUGH WITH EXCELLENT SEASON

Romping down the field and bowling over seven of their nine opponents, the Indian eleven racked up its most successful season in many moons.

After polishing off a strong Berwyn team in the opener, the Maroon and Gold warriors quickly suppressed the next three foes: Sharon Hill, Nether-Providence, and Darby. Feeling of elation ran high among the Indian rooters, but the plucky Blue and Gold eleven of Prospect Park held the mighty Glen-Nor team to a 6-6 stalemate. This was followed by an 18-6 surprising upset by the Garnet of Swarthmore. Coming back strong again, the boys knocked off Collingdale and Marple-Newtown in quick succession. Thanksgiving Day on a soggy field the Indians vanquished Yeadon, to the tune of 13-0.

The Twin-Boro tribe amassed the greatest record in the history of the school. The boys accumulated a total of 2,808 yards by the land route to their foe's 1,468. By the aerial route they tossed the pigskin for a total of 364 yards, while they held the rivals' total to 326 yards. They also collected 110 first downs to 57 for their worthy opponents.

Although every player deserves great credit, certain players stood out above the rest. Fred Zinck and Ed Bagley stood out among the ball-toters with 73 and 63 points scored, respectively. Norm "Scoop" Jacobs, George Woerner, and Herb Smullen were the stellar foundation of the stalwart forward wall.

A few were fortunate enough to rate various "all" teams. These included Norman Jacobs, Edward Bagley, Fred Zinck, Harry Reiseg, Herb Smullen, George Woerner, Evan Morrow, and Walt Young, while George Woerner and Ed Bagley were elected co-captains by their fellow players.

The team was grateful to Coach Hoffman, Assistants Ambrose and Tanger, and Scout Yetter for their help during the campaign.

JAYVEES' UNDEFEATED HOCKEY TEAM WINS 9 GAMES

History was made in the feminine sports world, when the hockey understudies finished the season with an undefeated record. Not one point was slated against the girls who scored twenty-one goals for eight games.

The team's high-scorer was Helen Liggett with a total of nine goals. Nellie roved all through the team in the course of the season playing three different positions. Doris Meeder was next to high scorer, and also played three separate positions. Two freshmen, Agnes Stegmuller and Jean Banks, belong to the scoring crew.

Throughout the season most of the goals were pushed over in the first half of the game. Only four points were made during the last half. The other teams, who were rushed off their feet at first, tried to make comebacks in the second half, but these onslaughts were turned back by a competent backfield and their able goalie, Iva Sprowles.

The funniest experience was on November 12, when the team tried to play its friendly enemy, Prospect Park. As it rained cats and dogs, some of the second team watched the first game from the edge of the field. Looking very much like Glen-Nor Indians, the girls huddled under bright blankets watching the first team win. By the time the Jayvees' turn came, the rain was pelting down so furiously that the teams agreed to call it a day.

The two closest games were the opening game with Yeadon, and the season's finale with West Chester. Both of these were won by one point. On the other hand, the team swamped Ridley Township and Media, securing a lead of five goals.

As this team develops more and more with coming years, Glen-Nor is very apt to see a championship team.

GLEN-NOR GIRLS DEFEAT 7 OUT OF 9 OPPONENTS

One of the best records ever made in Glen-Nor interscholastic hockey was rolled up by Coach Hendricks' lasses this year. Out of nine hard-fought games, the squaws marked on their totem pole seven victories, one tie, and one loss.

The only conquering team was Yeadon, which carried the day in the opening classic. This was a give-and-take game. Glen-Nor opened the scoring when Mimi Fencil tallied her first goal of the season for Glen-Nor. Upon Yeadon's subsequent Glen-Nor came back to break the tie and take the lead; however, Yeadon scored two goals and emerged victorious.

The second game was played at Sharon Hill. Dorothy Anderson pushed two markers across the line during the course of the game to give Glen-Nor the lead and eventually the victory. Although Sharon Hill played well they could only score one goal.

A 1-1 tie with Eddystone was the result of forty minutes of play on October 5. The "Stoners" broke the ice during the first half and held their slim 1-0 score throughout the first period. During the second half Mimi Fencil tied the score with a goal from her center position.

Playing her best game Mimi again came through and scored three goals against Media to give Glen-Nor the win over the Blue and White team.

Collingdale next faced the home girls and came out on the short end of a 2-0 score.

With the odds against them Glen-Nor encountered the Darby maids, 2-0. Mary Waddington and Mimi Fencil were the big guns of the attack for this game.

Mimi Fencil raced down the field in the last few minutes of the West Chester game to give Glen-Nor possession of the final game of their season.

These records were made possible through the skillful training of Coach I. Lucile Hendricks and Assistant Coach Harriet J. Tobin.

COURT CLASSICS

"PETE" MORRISON

This sharp-shooting guard could always be depended upon to turn in a fine exhibition of defensive basketball. A persistent scorer "Pete" supplied much of the team's pep.

JACK SULGER

Returning from last year's triumphant five Jack again kept his guards in a frenzy trying to check his remarkable under-the-basket work and his offensive tactics.

NORMAN JACOBS

Glen-Nor's only four letterman came back again to capture scholastic and suburban honors in basketball. His shooting ability and defensive tactics merit him a niche in Glen-Nor's hall of fame.

HOMER OSTIEN

A great defensive player and able point-getter, Homer well deserves the praise and honors he receives from his last year on Glen-Nor's basketball squad.

"RICHIE" MILLER

A junior this year, "Richie" Miller was the conference's best passer. Many times remarkable passes were converted into scores by the other four high-scoring five.

INDIAN QUINTET CROWNED CHAMPS IN SECTION II

Brilliant Play Features Excellent Season for Twin-Boro Tribe

Flashing through in true championship style, the Indian warriors of the wooden way annexed the Suburban Section II title. This was the first crown won outright since 1929 by the Indians, although they were in on the three-way title last season. The cast who performed for the Maroon and Gold were Homer Ostien, Norman Jacobs, Russell Morrison, Jack Sulger, Dick Kelly, all of whom went to the wars last season for the varsity; while Richard Miller, Herbert Smullen, George Woerner, Robert Palmore, and Fred Zinck were graduated from the Jayvees.

In all games played, including playoffs, the home boys won 17 games, only losing three. They amassed a total of 742 points against 445 points for their opponents. In league competition Glen-Nor won 12 games against 2 wins for the rivals, and rolled up a total of 463 markers to 302 for the victims. For the entire season, including playoffs, the Braves averaged 37 points to 23 for the foe per game. This is better than over 1 point a minute in every game.

After dusting off the Alumni in the opener by a 64-13 scoring spree the Indians quickly downed eight opponents, including six league teams. Before an overflow crowd they were knocked from the league lead to a first-place tie by Ridley Township. This was followed by a 24-21 reversal by Collingdale. Finding themselves once again, the boys knocked off the next six foes. The last scheduled game was the one that gave the Glen-Norites the championship. To a packed house at Township, the spirited Indians ran roughshod over the Green five, and downed them to the tune of 29-20.

Homer Ostien, Jack Sulger, and "Scoop" Jacobs were brilliant on offensive work. They finished second, third, and fourth with 103, 102, and 99 points, respectively, in the Section II scoring honors. "Pete" Morrison sank a total of 77 points in the league (among them many long ones), while "Rich" Miller fed the ball to his rangy teammates. Dick Kelly, "Herb" Smullen, Bob Palmore, George Woerner, and Fred Zinck furnished the reserve power when needed.

Preferring to enter the Suburban League playoffs rather than the Kiwanis Delaware County Championships, the Indian five won the first game by polishing Yeadon by a 50-21 triumph. The tribe met a highly favored Pottstown five in the finals and after a hard-fought, exciting game, Coach Hoffman's lads were subdued by a 44-39 count.

GIRLS' COURT SEASON ENDS IN TRIUMPH

Scoring a 25-17 triumph over Darby High the Glen-Nor maids of the hardwood ended their 1937-38 season in a blaze of glory.

After bowing to the Alumnae in a pre-season game, the girls hit the high road of victory and scored four straight triumphs. The victims of their attack were Ridley Township, Prospect Park, Chester, and Media. Of these four games the Prospect Park fray proved to be the fastest while the Chester battle was the most exciting. The girls had to advance rapidly in the second half to win this contest.

The friendly rivals from Eddystone ne t engaged the squaws in a very one-sided contest. This was the first of a series of three games which the girls dropped; however, the game was played harder than the scorebook showed. Next to defeat the Glen-Nor lassies was Swarthmore in a game played on the winners' floor. The third defeat was a close game from beginning to end with Lansdowne in the lead at the final whistle.

These three defeats set the stage for a brilliant comeback against Darby. With "Pete" Meeder leading the attack for Glen-Nor the girls ended up on the debit side of the ledger. This victory made the total for the season of five wins to four losses.

The nine girls on the varsity squad who played for the Maroon and Gold of Glen-Nor were: Guards, Ellen Enderle, captain; Helen Miller, Irene Morrow, Dorothy Kelly, and Dorothy Riddagh. Forwards, Miriam Fencil, Jane Sweeney, Margaret Riddagh, and Doris Meeder.

The positions of manager and custodian, although not envied, are most important to the smooth working of a team. It was the duty of Helen Price to see that all the girls received the equipment necessary to work with in both sports, and Marion Jane Knox was responsible for checking attendance, weighing in, and all the other little jobs required of a manager.

This, however, tells only one-half the story. Coach I. Lucile Hendricks and Assistant Harriet J. Tobin complete the picture.

INDIAN RUNNERS CONTINUE WINNING WAYS ON CINDER PATH

Handicapped by the lack of adequate track facilities in former years, the Indians have been pounding around the newly laid cinder path with much gusto this season. Having jaunted through an undefeated season in 1937, the spiked Braves have been striving to keep the 1938 record clean.

At the outset of the season, the Indians barely nosed out the Garnet of Swarthmore by a 55-53 count in an exciting dual meet. The cindermen provided the margin of victory by outscoring the rivals, 28-26. The fieldmen held the lead, and Fred Zinck clinched the verdict by winning the javelin toss in the last event. "Scoop" Jacobs broke the school record in the shot-put by tossing the iron sphere 49 feet, 2 inches.

The Maroon and Gold thinclads journeyed to Ridley Township on April 20, and overwhelmed the Green team by a 70½ to 37½ score. All the boys seemed to show their full strength in this dual test.

The day of the Delco Championships, April 23, the Twin-Boro boys couldn't get underway, and finished with 4⅙ points.

April 27 was a lucky day for Coach Yetter's lads, who traveled to the Media track to engage the cindermen, and also to bring back a 64-44 score. Norman Jacobs heaved the discus 121 feet for a new record.

On the first day of the Penn Relays, April 29, the Indian quartet ran the Philadelphia Suburban High School A. A. Class B one-mile relay. The team ran fourth in an exciting race. The next day, the Glen-Nor team ran in an unclassified mile relay against 16 other schools and placed second. The lead-off man, Dave Bender, was last at the start, but with a burst of speed pulled up to third. Bob Eberle and Bob Harmsen held third place, and Stewart Hebden, the anchor man, pulled up to a second and finished in that place.

The Indians returned with their fourth scalp of the season when they took the Darby team into camp by a 67-41 count. The noteworthy performance of the day was Jacobs' 20 points gathered in the shot-put, high jump, discus, and javelin events. Hebden also came through with two wins for 10 points.

On the squad this season are Stewart Hebden, co-captain, the Class B State half-mile champion for 1937, who runs the 440 and 880; Norman Jacobs, co-captain, and all-around man; F. Zinck, javelin tosser; A. Traceski, hurdler; J. Schlessleman, pole vaulter; D. Bender, the miler; W. Kucker, S. Warner, and B. Lumb, sprinters; E. Morrow, J. Thayer, A. Pauley, S. Penman, and W. Herman, weight men; R. Eberle and R. Harmsen, who specialize in the 440 and 880; and G. Woerner, R. Garrett, and H. Johnson, high jumpers. The squad is managed by Fred Mallgrave.

GLEN-NOR TEAM SHOWS POWER AT BAT

Boys Find Stride at Mid Season

In spite of being forced to borrow a practice diamond, Coach Hoffman has managed to turn out an up-and-coming team for the 1938 baseball season.

At the very outset the Indians put themselves in the hole by allowing Ridley Township to score seven times in the first inning. Then "Audie" Turner settled down, the boys started clubbing the pellet, and Glen-Nor won out in the seventh inning when Fred Zinck and Jack Flack each bombed out a home run.

The opening game with Lansdowne, April 18, in the Glenolden Community Park was a wash-out, for Jupiter Pluvius opened up in the second inning. The next day Lansdowne proved the better ball club by tallying twelve times to the Indians' five. A last-inning rally could not save the day that time.

Collingdale found the sixth inning very much to its liking as it scored four times to eke out a 6-5 victory over the local boys, April 21. Again a last-inning rally failed to bring victory.

On April 25, Glen-Nor showed her power in bowling over the nine from Eddystone, 12 to 6. Snappy ball playing and good pitching by "Ernie" Harrington in this first start combined to hand the Stoners their first defeat.

Darby dumped Glen-Nor in the next fray by outscoring the Indian team. The last inning was a ball game in itself, when Darby scored eight runs and Glen-Nor added six. Totalling these to the ten runs garnered in the earlier innings, Darby prevailed, 18-12.

Victory was again tasted when the tribe visited Prospect Park, May 2. Harrington's tempting hooks fooled the Prospectors, and the Maroon and Gold team clicked to bring home the score, 10-4.

Prosperity could not last, however, and the undefeated Media team preserved its record by walloping the Glen-Nor lads, 13-3. The county-seaters collected 15 hits from the Indians. Jack Williams' homer was the shining light of the lost cause.

At this writing just half the season has passed, so another chapter remains to be told. The line-up for the majority of the games has been: Zinck, catcher; Williams, first base; Chiaralonza, second base; Miller, shortstop; Parrish, third base; Doherty, Palmore, and Harrington, outfield; and Turner, Flack, and Harrington, pitchers.

GLEN-NOR GOLFERS STREAK TOWARD SUCCESS

Players Maintain Second Season of Victory

Continuing their second straight year in the undefeated ranks, Mr. Royer's quintet of golfers have trained to make golf history for Glen-Nor. Coasting toward their second straight championship are Robert Lumb, Albert Borkland, John Marra, Charles Banks, Tom Kensler, and Paul Marra.

With three regulars inherited from last year's championship squad, the boys practiced diligently every morning of their Easter vacation. The team that was thus whipped into shape has been the despair of neighboring schools.

In the opening game Glen-Nor trounced its only non-league opponent, Collingdale, by a score of 15-0. Encouraged by this success the Indians scored in rapid succession over Clifton Heights, Nether-Providence, Darby, Sharon Hill, and Chester. Keeping their slate clean, these amateurs extended their streak of victories to sixteen, covering a two-years' period.

The best performance of the season has been the sterling work of Paul Marra, a freshman this year. Playing Number Five position, Paul has not lost a game to date, and has been the chief point-getter of the team this season. His brother, John Marra, who has been on the team for three straight years, has occupied Number One position.

Albert Borkland has moved up behind Charles Banks for Number Four position, although he made his debut this year. Robert Lumb and Charles Banks, two of last year's regulars, have occupied Number Two and Number Three positions.

As only one member of the golf team graduates, Glen-Nor's golf chances for next season will be at a peak.

SPORTMEN'S REVIEW

A GAME for every player and every player in a game is the motto of the intramural sports program this year. For those people who enjoy playing, but who cannot make the Varsity, Glen-Nor has instituted its intramural basketball tournament.

This competition is based on homeroom rivalry and is carried on through a junior high and a senior high league. Homerooms in the junior high play only junior homerooms, and senior games are limited to senior high. Enthusiasm runs high because for the winners, boys and girls in both leagues, a worthwhile trophy is awarded.

At this time in the junior league eleven girls' games have been played. The results are: Room 9 vs. 7, score 23-11; Room 10 vs. 8, score 8-9; Room 4 vs. 13, score 24-5; Room 12 vs. 14, score 12-13; Room 1 vs. 3, score 1-6; Room 11 vs. 15, score 4-6; Room 3 vs. 24, score 14-17; Room 15 vs. 24, score 6-18; Room 4 vs. 8, score 17-26; Room 8 vs. 9, score 1-4; Room 4 vs. 14, score 30-10.

In the senior league only five games have been played, of which two were forfeits. In the first game Room 16 defeated Room 18 by the score of 18-7. In the other games Room 17 forfeited to Room 18A; Room 3 defeated Room 24, score 20-9; Room 11 defeated Room 1, score 15-14; and Room 20 forfeited to Room 23.

The girls' games have been scheduled and run off under the direction of Miss Smedley and Miss Irmschler.

If one turns the spotlight on the boys, he finds unusual interest in these tournaments. Prying off the lid on March 24, the boys' games got under way with the senior homerooms swinging into action. Room 16 defeated Room 17, and Room 18A beat Room 18.

The next senior high classic was between the junior homerooms, when Rooms 20 and 23 were victors over 19 and 22, respectively.

The sophomore groups to win were Room 1 and Room 11 over Room 24 and Room 3. In the playoffs in the twelfth grade, Room 16, the favored champs, were dumped by their senior rivals, 18A. Room 23 was declared the eleventh grade champion by winning over Room 20 and likewise Room 11 defeated Room 1 for the sophomore title. The tenth grade winner met the junior winner in the semi-finals and Room 23, the juniors, was victor over Room 18A by a 21-20 margin.

In the finals, Room 18A, the seniors, met Room 23, which copped the trophy by winning 21-20.

Great enthusiasm has been shown by the junior high school boys. Their season was opened on March 21, when the freshmen started the ball rolling. In the first games Room 7 and Room 9 gained verdicts over Room 8 and Room 10, respectively. Rooms 12 and 13 were winners over Rooms 4 and 14 in the first eighth grade frays.

All the seventh grades turned out to see Rooms 3 and 15 declared victors over Rooms 1 and 11. When the smoke lifted, Room 3 defeated Room 24 in the odd game. Room 7 was winner over Room 9 in the ninth grade playoffs. Room 12 won over Room 13 in the eighth grade and Room 15 over Room 3 in the seventh grade.

In the semi-finals Room 7, the ninth grade champ, met Room 12, the eighth grade titleholder, and won by a 25-19 score. The finals proclaimed Room 7 to be the junior high trophy winner by defeating Room 15, the seventh grade winner.

WE APPRECIATE

THE assistance and advice generously given by Mr. Bruce Kamp of the Photo-Type Engraving Company, in laying out this book. The helpfulness of the photographers, Hollander and Feldman, in taking the pictures of school life. The excellent cooperation of Mr. Harry Hart and Mr. Dwight Barnes of the Westbrook Publishing Company, in printing the copy.

The art work of Joseph Rodgers, Class of '38, in designing the cover. The contributions of the typists in preparing the material for print: Betty Fisher, Dorothy Leckner, Anna Hunter, Janet Taylor, Edith Reid, Margaret McCallum, and Eolise Daniels.

THE LAST WORD

THE first to arrive at school and the last to leave are Mr. Englehart and Mr. Eckhardt. By their willing service they have added much enjoyment and pleasure to the school days of Glen-Nor students.

In closing our scrapbook, we pay tribute to these two friends.
